

EPPCO BENZYNA MAX SPECIAL

PRODUCT DESCRIPTION

EPPCO BENZYNA MAX SPECIAL offers a range of robust quality multigrade motor oils formulated to meet older manufacturers specifications. It is suitable for light duty gasoline, CNG, and diesel engines for out of warranty high mileage vehicles. Its formulation is specifically designed for city operations where traffic conditions involve stop - start vehicle patterns as well as general long-distance driving.

APPLICATIONS

- ◆ All makes of light duty vehicles with naturally aspirated engines- Passenger Cars, CNG and diesel.
- ◆ Gasoline four stroke engines used in many light duty applications
- ◆ Ideal for multi-trip mini vans

PERFORMANCE STANDARDS

BENZYNA MAX SPECIAL meets and exceeds the following International specifications:

API SF / CC

Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.

BENEFITS

BENZYNA MAX SPECIAL provides:

- ◆ Supports robust vehicle performance through excellent wear protection of engine components
- ◆ Proven oil consumption control through advanced detergent/dispersant technology
- ◆ Reduced engine deposits, varnish, and lacquer
- ◆ Suitability for older engines

Technical Data*	
SAE Grade	20W-50
Colour	Green
Appearance	Bright & clear fluid
Kinematic Viscosity mm ² /s @ 40°C	155
mm ² /s @ 100°C	17
Viscosity Index	115
Flash Point, COC, °C	230
Pour Point, °C	-24
Product Code	310012

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT
