

# EPPCO BENZYNA TXI 20W-50

## PRODUCT DESCRIPTION

**EPPCO BENZYNA TXI 20W-50** is a mineral multigrade gasoline engine oil formulated to meet API SF specifications. It is versatile pro light duty gasoline, CNG, and diesel engines requiring multi-fuel performance. The product is specifically designed for city operations where traffic conditions involve stop - start vehicle patterns as well as general long-distance driving

## APPLICATIONS

- ◆ All makes of light duty vehicles with - Passenger Cars, CNG and diesel where API SF oils are still recommended
- ◆ Gasoline four stroke engines used in many light duty applications
- ◆ Ideal for multi-trip mini vans

## PERFORMANCE STANDARDS

**BENZYNA TXI 20W-50** meets and exceeds the following International specifications:  
API SF / CC

*Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.*

## BENEFITS

**BENZYNA TXI 20W-50 provides:**

- ◆ Robust wear protection of engine components
- ◆ Helps provide Oil consumption control
- ◆ Helps reduce engine deposits, varnish, and lacquer
- ◆ Suitable for older engines

Technical Data*	
SAE Grade	20W-50
Kinematic Viscosity mm <sup>2</sup> /s @ 40°C	164.2
mm <sup>2</sup> /s @ 100°C	18.34
Viscosity Index	125
Flash Point, COC, °C	230
Pour Point, °C	-24
Product Code	310088

\*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

## HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
