

EPPCO BENZYNA FLEX ENERGY SN

PRODUCT DESCRIPTION

EPPCO BENZYNA FLEX ENERGY SN SAE 0W-20 is fully synthetic petrol engine oil, formulated with advanced friction management formula that helps enhance fuel economy. Formulated with proven dispersants & detergents that ensures clean engines. EPPCO BENZYNA **FLEX ENERGY SN** meets API SN and ILSAC GF-5. Compatible to all vehicles running on lead free gasoline, ethanol, LPG and CNG.

APPLICATIONS

- ◆ Benzyna Flex Energy SN is recommended for all Americans/Japanese/Korean/European petrol vehicles where API SN, ILSAC GF-5 & SAE 0W-20 is recommended

PERFORMANCE STANDARDS

BENZYNA FLEX ENERGY SN SAE 0W-20 is formulated with additive technology that has been tested to meet the following International specifications requirements:

API SN, ILSAC GF-5

Always follow equipment manufacturer's recommendations for required lubricant performance level and oil drain intervals.

BENEFITS

EPPCO BENZYNA FLEX ENERGY SN SAE 0W-20 provides:

- ◆ Low friction management formula that helps improve fuel economy
- ◆ Excellent Piston / Rings cleanliness which helps increase engine durability
- ◆ Highly resistant to oxidation that keeps critical components like turbochargers clean
- ◆ Excellent wear protection to engine which is very important during stop-start driving.
- ◆ Enhanced After Treatment Devices (ATD) protection.

Technical Data*	
SAE Grade	0W-20
Density kg/m ³	0.8387
Kinematic Viscosity mm ² /s @ 40°C	41.24
Kinematic Viscosity mm ² /s @ 100°C	7.75
Viscosity Index	160
Flash Point COC	214
Pour Point, °C	-48
Sulphated Ash%	0.8
Product Code	310043

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
