

EPPCO STEPTRON PREMIUM

PRODUCT DESCRIPTION

EPPCO STEPTRON PREMIUM is formulated to meet the performance requirements of Dexron® III H and Ford Mercon® for automatic transmissions and power steering fluid. It is designed for the lubrication of torque converters, transmission gear and hydraulic systems used in passenger cars, light trucks, and heavy vehicles. Steptron Premium is a **synthetic based**, low viscosity red dyed oil which performs to the exceptionally high technical standards needed to meet the wide range of lubrication requirements found in transmission systems

APPLICATIONS

- Car and light truck automatic transmissions
- Heavy duty truck automatic transmissions
- Off-highway plant equipment using full or semi automatic gearboxes
- Power steering where ATF Dexron® III H or Mercon® fluid is recommended

PERFORMANCE STANDARDS

STEPTRON PREMIUM meets and exceeds the following OEM and International specifications:

General Motors DEXRON® III H fluid Ford MERCON® fluid

Allison C-4

Always follow equipment manufacturer's recommendation for required lubricant performance levels and oil drain intervals.

BENEFITS

STEPTRON PREMIUM provides:

- ♦ The latest automatic transmission fluid specifications
- ♦ Helps provide optimum transmission life through high performance technology
- Smooth gear-changing through balanced anti-wear and friction modifier characteristics
- Suitability for a wide range of applications which helps in inventory control

Caution: Do not overfill automatic transmissions as this may cause foaming and possible malfunction of the unit.

Technical Data*	
Colour	Red
Density @ 15 °C	0.8410
Kinematic Viscosity mm ² /s @ 40°C	34.0
Kinematic Viscosity mm ² /s @100°C	7.25
Dynamic Viscosity, mPa.s @ -40 °C	16,500
Viscosity Index	170
Flash Point, ⁰ C	206
Pour Point, °C	-42
Product Code	321002

^{*}The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
