

# EPPCO BENZYNA N20

## PRODUCT DESCRIPTION

**EPPCO BENZYNA N20** is a modern technology gasoline engine oil that meets the testing requirements of latest API SL performance specification. Developed to provide protection for use in modern passenger cars. It is suitable for all types of driving conditions (city/ highway). Compatible for all cars running on lead free gasoline.

## APPLICATIONS

- ◆ All makes of passenger cars
- ◆ High performance normally aspirated and turbocharged gasoline engines
- ◆ Japanese and American manufactured cars
- ◆ Light commercial vehicles

## PERFORMANCE STANDARDS

**BENZYNA N20** meet the testing requirements of following International Specification:

API SL

***Always follow equipment manufacturer's recommendations for required lubricant performance level and oil drain intervals.***

## BENEFITS

**BENZYNA N20 provides:**

- ◆ Engine protection for all manufacturers
- ◆ Extended engine life
- ◆ Superior resistance to oil thickening
- ◆ Excellent protection against wear
- ◆ Low oil consumption and engine deposits
- ◆ Easy all year round starting

	Technical Data*
SAE Grade	20W-50
Kinematic Viscosity mm <sup>2</sup> /s @ 40°C	189.0
Kinematic Viscosity mm <sup>2</sup> /s @100°C	20.0
Viscosity Index	130
Flash Point, COC, °C	236
Pour Point, °C	-27
Product Code	310079

The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

### HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
