

EPPCO ADVANCED 770 SLD 10W-40

PRODUCT DESCRIPTION

EPPCO ADVANCED 770 SLD 10W-40 is a fully synthetic Super High Performance long drain diesel engine oil developed for modern low emission European trucks meeting the EURO IV emission standards. This lubricant has been developed to meet the long drain requirements of European OEM specifications for vehicle engines operating with high fuel sulphur. **ADVANCED 770 SLD** offers the ultimate performance for fleet operators wanting long engine life in modern long haul diesel trucks operating with proven extended drain periods.

APPLICATIONS

- ◆ Engines operating with variable quality diesel fuel
- ◆ Modern high performance automotive diesel engines – Euro IV engines without DPF
- ◆ All vehicle makes used in mixed vehicle transport with extended oil drain capabilities
- ◆ Heavy duty Mobile Plant vehicles
- ◆ Diesel generator sets

PERFORMANCE STANDARDS

ADVANCED 770 SLD meets the testing requirements of the following OEM and International Specifications:

API CI-4, ACEA E4/E7, and also suitable for equipments calling for MB-Approval 228.5, MAN 3277, Volvo VDS-3, MTU Type 3, Scania LDF-2 specifications.

Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.

BENEFITS

ADVANCED 770 SLD provides:

- ◆ Excellent engine cleanliness through advanced soot handling technology
- ◆ Proven acid neutralisation capabilities that helps to reduce engine corrosion
- ◆ Exceptional low engine wear
- ◆ Trouble free operation between long drain service intervals
- ◆ Helps reduce fleet operating costs
- ◆ Excellent all-weather performance

Technical Data*	
SAE Grade	10W-40
Density at 15°C	0.8560
Kinematic Viscosity mm ² /s @ 40°C	87.2
Kinematic Viscosity mm ² /s @100°C	13.6
Viscosity Index	160
Flash Point, COC, °C	228
Pour Point, °C	-27
BN No. ASTM D2896	12.6
Product Code	300031

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
