

EPPCO MANTRANS SUPER

PRODUCT DESCRIPTION

EPPCO MANTRANS SUPER is a specially developed manual gear oil for use in older manual transmissions fitted to a wide range of vehicles, including light commercial vehicles and trucks, where an API GL-3 gear oil is specified by the vehicle manufacturer. They are formulated from high quality, paraffinic type base oils, selected additives. This provides optimum performance characteristics of the drive-line components together with exceptional control over foaming.

APPLICATIONS

- ◆ Manual transmissions where API GL-3 is still recommended
- ◆ Steering boxes

PERFORMANCE STANDARDS

MANTRANS SUPER meets and exceeds the following International specification

API GL-3

Always follow equipment manufacturers recommendations for required lubricant performance levels and oil drain intervals.

BENEFITS

MANTRANS SUPER provides:

- ◆ Smooth gear changing through friction control characteristics
- ◆ Excellent rust and corrosion resistance
- ◆ Resistance to foaming
- ◆ Long transmission life through mild extreme pressure additive system
- ◆ Good seal compatibility

Technical Data*		
SAE Grade	90	140
Kinematic Viscosity mm ² /s @ 40°C	181	390
mm ² /s @ 100°C	17.2	26
Viscosity Index	96	96
Pour Point, °C	-12	-9
Product Code	322009	322010

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
