

EPPCO BENZYNA SUPERIOR

PRODUCT DESCRIPTION

EPPCO BENZYNA SUPERIOR are range of gasoline engine oils developed from highly refined hydrotreated lubricant base oil suitable for modern passenger cars requiring the performance specification **API SN**. Developed to provide maximum protection for modern passenger cars, including low emission engines and high-performance vehicles. It is available in **SAE 5W-30, SAE 10W-30, SAE 10W-40 and SAE15W-40** viscosity grades.

APPLICATIONS

- ◆ All new passenger cars engines.
- ◆ High performance cars normally aspirated and turbocharged gasoline engines.
- ◆ Latest model of Japanese, American and European cars.
- ◆ Light commercial gasoline vehicles.

PERFORMANCE STANDARDS

BENZYNA SUPERIOR meets and exceeds the following International specifications:

API SN

Always follow equipment manufacturer's recommendations for required lubricant performance level and oil drain intervals.

BENEFITS

BENZYNA SUPERIOR provides:

- ◆ Proven engine protection for various modern engines
- ◆ Helps to provide optimum engine life.
- ◆ Superior resistance to oil thickening and sludge.
- ◆ Excellent protection against engine wear.
- ◆ Excellent low temperature easy starting.

Technical Data*				
SAE Grade	5W-30	10W- 30	10W- 40	15W-40
Density kg/m ³	0.8386	0.8495	0.8625	0.8576
Kinematic Viscosity mm ² /s @ 40°C	58	65	100	103
Kinematic Viscosity mm ² /s @100°C	10	10.6	14.5	14.5
Viscosity Index	160	153	150	145
Flash Point COC	216	222	222	228
Pour Point, °C	-45	-42	-42	-30
TBN, mg of KOH/g	7.2	6.9	6.7	6.7
Product Code	310059	310054	310055	310052

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the ENOC Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information, we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
