

EPPCO ADVANCED VX40

PRODUCT DESCRIPTION

EPPCO ADVANCED VX40 is a high Performance diesel engine oil meeting the requirements of API CI-4 standard available in a shear stable viscosity grade. This lubricant has been developed to provide robust engine protection. **ADVANCED VX40** offers the excellent performance for fleet operators wanting long engine life in modern long haul diesel trucks operating in harsh operating conditions.

APPLICATIONS

- ◆ Mixed fleets of automotive diesel truck manufacturers
- ◆ Modern low emission high performance automotive diesel engines upto Euro 4 (without DPF)
- ◆ All vehicle makes used in long distance transport with extended oil drain capabilities
- ◆ Heavy duty Mobile Plant vehicles
- ◆ Diesel generator sets

PERFORMANCE STANDARDS

ADVANCED VX40 meet the testing requirements of following International Specifications:

API CI-4

Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.

BENEFITS

ADVANCED VX40 provides:

- ◆ Excellent engine cleanliness through advanced soot handling technology
- ◆ Mixed fleet capabilities
- ◆ Exceptional low engine wear
- ◆ Trouble free operation between service intervals
- ◆ Helps reduce cost of operations

Technical Data	
SAE Grade	15W-40
Kinematic Viscosity mm ² /s @ 40°C	108
mm ² /s @100°C	14.5
Viscosity Index	141
Flash Point, COC, °C	230
Pour Point, °C	-30
BN No. ASTM D2896	10.5
Product Code	300091

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible.

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
