

EPPCO BENZYNA SUPER SL

PRODUCT DESCRIPTION

EPPCO BENZYNA SUPER SL 20W-50 is mineral based gasoline engine oil suitable for passenger cars operating in harsh climatic conditions as found in the Middle East, Asia & Africa. Developed to provide optimum protection for passenger cars, SUVs & mini trucks. It is available in SAE 20W-50 viscosity grade and meets the testing requirement of latest API service classification SL. Compatible for all cars running on lead free gasoline and catalytic converters.

APPLICATIONS

- ◆ Passenger cars, SUVs & mini trucks where API SL is recommended
- ◆ Normally aspirated and turbocharged gasoline engines
- ◆ Four stroke motorcycle engines where motor oils are recommended
- ◆ Light commercial vehicles

PERFORMANCE STANDARDS

BENZYNA SUPER SL 20W-50 meet the testing requirements of following International Specifications:

API SL

Always follow equipment manufacturer's recommendations for required lubricant performance level and oil drain intervals

BENEFITS

BENZYNA SUPER SL 20W-50 provides:

- ◆ Proven engine protection
- ◆ Helps provide optimum engine life
- ◆ Superior resistance to oil thickening
- ◆ Excellent protection against wear
- ◆ Provides oil consumption and engine deposit control
- ◆ Easy all year round starting

Technical Data*	
SAE Grade	20W-50
Kinematic Viscosity mm ² /s @ 40°C	159
mm ² /s @ 100°C	18
Viscosity Index	125
Flash Point, COC, °C	240
Pour Point, °C	-24
Product Code	310008

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
