

EPPCO ADVANCED 700X 15W-40

PRODUCT DESCRIPTION

EPPCO ADVANCED 700X 15W-40 is a High Performance diesel engine oil meeting the performance requirements of API CH-4 and available in a shear stable SAE 15W-40 viscosity grade. This lubricant has been developed for various heavy duty application offering excellent performance for fleet operators wanting long engine life. Suitable for modern long haul diesel trucks meeting Euro 3 emission standards and older vehicles.

APPLICATIONS

- ◆ Mixed fleets of automotive diesel truck manufacturers
- ◆ Modern high performance automotive diesel engines meeting Euro 3 emission standards
- ◆ All vehicle makes used in long distance transport with standard oil drain capabilities
- ◆ Heavy duty Mobile Plant vehicles
- ◆ Diesel generator sets

PERFORMANCE STANDARDS

ADVANCED 700X 15W-40 meet the testing requirements of following OEM and International Specifications:

API CH-4, ACEA E7 as required by various International OEMs

Always follow equipment manufacturer's recommendations for required lubricant performance levels and oil drain intervals.

BENEFITS

ADVANCED 700X 15W-40 provides:

- ◆ Excellent engine cleanliness through advanced soot handling technology
- ◆ Mixed fleet capabilities
- ◆ Exceptional low engine wear
- ◆ Trouble free operation between standard drain service intervals
- ◆ Can help reduce cost of operation

Technical Data*	
SAE Grade	15W-40
Density at 15°C, kg/L, ASTM D4052	0.8779
Kinematic Viscosity mm ² /s @ 40°C, ASTM D 445	105
Kinematic Viscosity mm ² /s @ 100°C, ASTM D 445	14.1
Viscosity Index, ASTM D 2270	137
Flash Point, COC, °C, , ASTM D 92	228
Pour Point, °C, , ASTM D 97	-27
TBN, mg KOH/g, ASTM D 2896	9.0
CCS Viscosity, mPa.s, ASTM D 5293	6600 @-20°C
Product Code	300036

*The information prepared provides the typical properties that are considered as representative. Some variation which will not affect performance is possible

HEALTH AND SAFETY, ENVIRONMENT

The information on this product is available in the EPPCO Material Safety Data Sheet (MSDS) as a guide to the precautions and safe handling of this product and its disposal. For further information we recommend you review the MSDS. Handled correctly there are no special precautions suggested.
